EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure. The Department of Civil Service and the Louisiana Workforce Commission currently posts on its web site annual reports that include workforce demographics by sex and race. The Civil Service report includes demographics on state employees. The Workforce Commission produces annual updates to the “Louisiana Labor Force Diversity Data” publication of population detailing population and labor force data by sex and race.

To the extent the information required by this legislation is currently being collected by the departments of Children and Family Services, Health and Hospitals, Division of Administration, Economic Development and the LSU Health Science Center Health Care Services Division, there should be no impact on state expenditures as existing resources will be utilized.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
